Our School Prayer

Thankfulness Prayer

Dear God,

Thank you for our friends, family and school staff who spend time with us and teach us new things.

We are grateful for all the wonderful things you put in this world.

We are grateful for all the teachers and parents who provide us with the things we need to be successful.

Sorry for not always saying thank you when we should.

Sorry that we sometimes take things for granted.

We apologise for the times we have been ungrateful.

Please help us to say thank you more and be good role models to others.

Please guide us to show others how thankful we are for their help and support.

In the future, please help us to be more grateful.

Amen

THANKFULNESS

HOME SCHOOL VALUES

This term we will be focussing in school on the value THANKFULNESS. We hope your family will find these ideas helpful as you explore the value and have fun together.

TALK TOGETHER about Thankfulness

'Count your blessings' is an old saying, but it reminds us to be **thankful** and not take things for granted.

As a family you may like to talk about

- Remembering to let other people know when you are **thankful**
- Not taking things for granted
- Practical ways of showing gratitude
- How it feels when someone **thanks** you!

THINK TOGETHER Words of Wisdom

"God gave you a gift of 86,400 seconds today.

Have you used one to say **thank** you?"

The Man Who Came Back

Jesus was travelling along the dusty roads towards Jerusalem. At each village he was welcomed by people, happy to see him and listen to his teaching. But today, as he entered the village he saw in the distance a small group standing apart from the crowd. They were calling out, "Jesus, Master, help us, please make us well." These poor people had a disease called leprosy. They were terribly ill and no-one in the village wanted to go near them.

But Jesus didn't ignore them. He stood among them and prayed for them. As each of them went on his way they began to notice that their whole bodies were healing up. They were so excited that they immediately rushed off to share their good news. Well, nine of them did. The tenth turned and fell on his knees in front of Jesus and **thanked** him for what he had done.

"I healed ten people with leprosy today", said Jesus to the man. "Where are the others?". But then he smiled "Well at least you came back to say **thank** you!".

Little story based on Luke 17:11-19

You might like to explore the value Thankfulness at home.

Here are a few ideas from Imaginor.

FASCINATING FACTS

Have you ever thought about how many people we have to **thank** for some of the everyday things that we take for granted? For example the milk we drink.

Thank you Mum & Dad for buying the milk,

Thank you supermarket workers for stacking the shelves and operating the cash tills,

Thank you lorry driver for bringing cartons of milk to the supermarket,

Thank you workers in the packaging factory,

Thank you milk tanker driver for collecting the milk from the farms and bringing it to the factory,

Thank you farmers for milking the cows.

HOME-SCHOOL CHALLENGE

Thank you chain

Think about how an everyday item reaches you: Where does it come from? Who was involved in making it? Who should you **thank**?

Make a **thank** you chain and bring it to school to hang in the Challenge Gallery.

HALL OF FAME

Laura Trott Track Cyclist

At the age of just 20 Laura won two gold medals in Track Cycling at the London 2012 Olympics. Then four years later in Rio, she won another two, making her the first British woman in any sport to win four Olympic gold medals.

It wasn't easy – as a child she suffered from asthma but enjoyed and competed in trampolining until she had to give up due to breathing problems. Then as a young teenager she took up cycling and at 17 won a junior title racing in the British championships. Her inspiration to train and succeed as a cyclist came from a meeting with Sir Bradley Wiggins for which she will always be **thankful**. She chatted to him and wore his gold medal for a few moments. It felt amazing!

After her success in the Rio 2016 Olympics, Laura talked about her training programme – it is not just her hard work that brings success. She really is **thankful** for the whole team – managers, coaches, doctors, mechanics, therapists and so many more people – who encourage, motivate and support her.

FAMILY FOCUS

Time to say "Thank you"

Draw a clock face for your family to fill in together.

Choose one day and ask every one to think, as the hours tick by, about one thing in each hour that they would like to say **thank** you for.

Draw a picture of what you are **thankful** for in each segment.
