Our School Prayer

Dear God,

Thank you for showing us how to help others,  
Thank you for giving us talents to spread across our community,  
Thank you for giving us the courage to help others.

Sorry for not always putting other people first,  
Sorry for not always volunteering,  
Sorry for not always taking our responsibilities seriously.

Please help us to have the courage to use our talents,  
Please help us to volunteer more willingly,  
Please help us to serve others.

Amen

## *Welcome from your Head...*

Dear Parents and Families,

Firstly, I hope you and your families had a wonderful Easter break.

Summer term in school is always an exciting vibrant time of the year, matched with the glorious weather and the beautiful blossom in the trees at the front of our school. Recently, I heard the summer term defined as 'the term when it all comes together'. We wish the children the best of luck in for completing the Year 6 SATs, Year 1 Phonics Screening and Year 4 Multiplication check. I know their efforts have been incredible across the year and we are so proud of everything they have already achieved.

As well as final assessments, 'it all comes together' with our Key Stage 2 production, Ashbury's Got Talent, school trips, sporting events, sports day and special occasions such as the 80th anniversary of VE Day.

Summer term brings mixed emotions as Year 6 begin their transition to Secondary and we prepare to say our goodbyes. We also look forward to meeting our new children who will begin in Reception next academic year. As you will have seen in the media, pupil numbers in school are falling and we anticipate a much lower Reception intake than previous years, which may affect how many schools operate and make decisions. We ask that you please continue to share your positive experiences of our excellent school and share our social media posts so that we can reach a wider community so that we can grow.

This term we will be learning about the Christian value of 'Service'. We will consider how we can volunteer willingly and put others before ourselves. We also explore how we can recognise our own talents and values and how we can use these to serve our community.

Please take time to read the reminders below regarding summer uniform, attendance, behaviour, P.E. days and diary dates.

Warmest wishes,  
Mr Miller

## School Uniform

We are still noticing children across the school consistently wearing non-school uniform items of clothing, in particular, wearing non-school colours and footwear.

We expect all children to wear the school uniform to promote standards of neatness within the school, pride in appearance, pride in belonging to the school, economy and the appropriateness of clothing for work and safety. All items of clothing must be named.

### Uniform Options

Children can choose to wear a grey pinafore dress, skirt, trousers or shorts. These items may be accompanied with grey tights, white, grey or black socks.

A red polo shirt and school red sweatshirt or cardigan should be worn.

In summer, a red summer dresses, white ankle or knee length socks can be worn.

### Footwear:

For reasons of safety and promotion of foot health, children must wear clean, sensible, low wide heeled black shoes (not boots or trainers).

### Jewellery:

Earrings (with the exception of small studs), bangles, necklaces and rings are not permitted as they may be mislaid or cause serious accidents.

### PE Kits

- All children must wear trainers, black shorts, leggings or jogging bottoms and a plain red top that is long enough to be tucked in.
- All PE clothing should be named.
- Children with shoulder-length hair (or longer) must tie their hair up.
- Earrings must be taken out or covered with tape.
- No football kits.

## Attendance

When children regularly attend school, their attainment and reading skills improve. Children who regularly attend school feel more connected to the school community and develop strong social skills and friendships – important life skills. These children also are much more likely to develop healthy life habits and be successful beyond their years in school. The table below shows how missing school can have an impact on children’s learning.

Research has shown that children who miss an average of two days of school per month struggle to keep up with their friends academically, resulting in lower attainment and reading skills. The effects of frequent absences are noticeable from as early as Reception.

If your child has a temperature or has had sickness and diarrhoea, then please keep them off school and inform the school office. Otherwise, we encourage you to bring your child to school, and if they become unwell we can then send them home.
