'United in a love for learning we will grow and succeed together'

Our Christian Value this term is:

*"Tell the truth to each other"
Zechariah 8.16*

Our School Prayer - Written by the pupils

Dear God,
Thank you for the people who tell the truth, even though we find it hard,
Thank you for teaching us about the truth,
Thank you for helping us to be truthful.

Sorry for not appreciating people who tell the truth,
Sorry for not always telling the full story,
Sorry for times when we have not been truthful.

Please help us to realise that lying is not right,
Please help us to uncover the full story,
Please help us to tell the truth.

Amen

Welcome from your Head...

Dear Parents and Families,

It is hard to believe that we are fast approaching the end of the school year!

This term, the children have made the whole team incredibly proud. I want to mention in particular: our Year 6 children for their amazing effort and perseverance with their SATS, Year 1 and 2 children who complete their Phonics Screening checks; we are delighted with how well the children performed and will share results shortly and finally to our Year 4 children who performed incredibly for the Multiplication Times Table check.

As well as academic achievements, it was an honour to hear about two children, Jacob and Henry, demonstrating our school value of compassion within the community and to see the perseverance of every pupil during sports day. As our production practice is now in full swing, it has been wonderful to see the children show fantastic responsibility to support one another in learning lines and stage directions.

We have been learning about truthfulness in our worship and considering how we make the right decision. The children talked about how they sometimes feel 'funny' if they don't tell the truth and that natural consequences can sometimes occur. The children understand that they will always be credited for telling the truth and being honest.

A reminder that as the weather gets hotter, we still expect children to be wearing the correct school uniform for both regular school days and P.E. days. Children also need to come to school wearing sun cream and with a hat and a drinks bottle.

I look forward to sharing all of the amazing events we have remaining this academic year.

Warmest wishes,
Mr Miller

Dates for the Diary...

Term 6		
Thursday 3 rd July		Berrycroft Stay & Play Session
Tuesday 8 th – Wednesday 9 th July	10:00-11:00	Faringdon Community College Transition Days
Tuesday 8 th July	08:30-11:45	New Starter Transition Morning

Goodbyes!

The end of a school year is often a time where we say some goodbyes. This year, we are sad to be saying to three members of our team:

Mrs Baker - As many of you know Mrs Baker returned to support our school in enhancing our curriculum. Mrs Baker was key in ensuring that all children learn to play the violin and has also introduced ballet to the pupils and lead on Art - Ashdown in particular enjoyed learning about Banksy. Mrs Baker's spirit, enthusiasm and kindness will be greatly missed, but we look forward to working with her as she continues to work within Cambrian Learning Trust.

Mr Hore - Mr Hore joined our school as a student and we are delighted to have supported his first full year as a qualified teacher. He has made strong relationships with his class and will be forever remembered for introducing 'marvellous mistakes' to the children. We wish him well as he takes the next step of his teaching careers and we know he will flourish in his new school.

Martin - Martin has been delivering P.E. for 7 years at Ashbury. The children thoroughly enjoy his P.E. lessons and his passion for sport and health. He has inspired so many pupils during his time here and will be greatly missed. We thank him for all of the Sports Days he has lead and all of the laughter he brings.

Free School Meals

All Reception, Year 1, or Year 2 child are entitled to receive free school meals through the infant free school meals in England scheme, but did you know that they may also be entitled to Free School Meals within the government scheme?

As well as receiving free meals, successful applicants will also benefit from the Holiday Activities and Food (HAF) programme. The HAF programme provides healthy food and enriching activities to children and young people, with free places available for those on free school meals during some of the school holidays.

Lastly, by receiving free school meals you are **also benefitting Ashbury School by providing extra funding through the Pupil Premium**, which can be used to support students' education and well-being.

Apply now and see if you qualify - <https://www.gov.uk/apply-free-school-meals>

10 June 2025

Dear Headteacher,

Child exploitation and online harm video resources

Education plays a critical role in early intervention and crime prevention, and as the Police and Crime Commissioner for the Thames Valley, I am committed to supporting schools in crime prevention awareness and building long-term trust between young people, their communities, and policing.

I will shortly be sharing my Education Strategy with you, which aims to achieve a consistent and informed approach to youth engagement by Thames Valley Police with the support of my office. In advance of that I am pleased to share some current activity - two short videos that have been commissioned by the Violence Prevention Partnership (VPP) which sits within my portfolio:

- [Child Exploitation \(opens in YouTube\)](#)
- [Online Harm \(opens in YouTube\)](#)

You will be aware of the prevalence of crimes affecting young people across the country including child exploitation and online harm and it is the VPP's mission to prevent these events from occurring by educating parents, carers and those working with young people.

The videos have been prepared using subject matter experts and the lived experience of victims. They have been funded through the Violence Prevention Partnership and compliment awareness training the VPP offer for professionals and those working with young people.

Whilst the videos are relevant to anyone working with young people, they have been designed to be Thames Valley generic and primarily aimed at parents and carers of school aged children.

I would be grateful if you were able to circulate these links to parents and teachers through your existing school communication channels. We will be sharing the videos more widely to Thames Valley residents through the media and our online communication channels in mid-June.

I hope you will agree that the videos are an excellent platform to raise awareness in the community and can offer guidance to parents and carers who may have concerns about their children or young people in their care.

In addition, I would like to take the opportunity to remind you of the free [Stay True to You](#) resources developed by the VPP last year. Stay True to You is an evidence led approach, available for any parents and adults working with young people, supporting positive conversations and helping young people make their own, good choices.

If you have any queries about the videos or other resources, or would like further information on the training offered by the Violence Prevention Partnership, please email Christopher.ward@thamesvalley.police.uk.

Yours sincerely,

Matthew Barber

Police & Crime Commissioner for Thames Valley
